From the Principal's Desk...

The last quarter of the academic session has been an extremely eventful and rewarding one for our school. It has been a period of intense academic engagement, sporting excellence, leadership development and overall growth of our cadets.

*On the academic front, the **Half-Yearly Examinations** were conducted successfully, with **Competency-Based Questions (CBQs)** incorporated into the question papers in accordance with CBSE directives. This marks another step towards strengthening analytical thinking, application of knowledge and competency-based learning among our cadets.*

*The quarter was equally vibrant on the sports front. Our cadets participated with great enthusiasm and brought laurels to the school in **IPSC events, hockey, aquatics, table tennis, yoga and skating**. Their achievements reflect not only their talent but also their discipline, perseverance, teamwork and commitment to excellence.*

*Another significant milestone was the **Investiture Ceremony**, through which a new team of student leaders formally assumed their responsibilities*

*As we move towards the final phase of the session, our cadets are gearing up enthusiastically for the **Annual Sports Meet in October**. Alongside their preparation and participation, they also look forward to the much-deserved **Diwali break**, which will provide them an opportunity to relax, rejuvenate and spend quality time with their families.*

*I particularly request all parents to kindly attend the forthcoming **Parent-Teacher Meeting** and collect the **Report Card** of their ward. Your participation and constructive interaction with the teachers will help us better understand each cadet's progress and identify areas where further support may be required.*

Let us continue to work together to nurture confident, disciplined, responsible and compassionate young women who are prepared not merely to succeed, but to lead with purpose.

Warm regards,

Col (Dr) Rahul Sharma
Principal
